# ADVENTURE CANADA EXPEDITION MEMBER APPLICATION

Thank you for your interest in Adventure Canada and joining our team. We are always on the lookout for new, talented people to enhance our award-winning programs. We believe that what sets us apart is our team. We choose to travel with experts in each region, in numerous disciplines—be they sciences, arts, or culture. Our program is based on education, not on leisure. We aim to connect people to a place by facilitating experience, learning, and understanding. If you think you can help us do that, please complete the following form and send it to [work@adventurecanada.com](mailto:work@adventurecanada.com) accompanied by a C/V and letter of intent.
